**The BIG C:
Deepen your coaching beyond
any school, workshop or
teleclass out there!**

This in-person workshop takes a single coaching skill and targets a deep focus in expanding our knowledge and awareness and application of our coaching skills.

More than a typical “Wisdom Circle”, it’s about engaging with the group in an interactive discussion, exploring our coaching skills with provocative and probing questions.

Date and Time

January 25th 2012
6 – 8 PM**

Location

**Bogart’s
3200 Airport Road

**The 3-Step Process to Create
Confident Client Connection...
and begin heading down your
path toward coaching mastery**

Sometimes the connection with our clients is great—there’s energy and flow and the coaching is effortless— and flops around, and our coaching falls flat. Even worse is when we get stuck and can’t quite figure how to get out. As a result, your coaching is not nearly as effective and impactful as you believe it to be.
